APPOINTMENTS

Australian netballer **Natalie von Bertouch** has been appointed to dietitian practice Nutrition Professionals Australia.

The captain of the Adelaide Thunderbirds and Australian team vice captain will be working in the company's aged care and chronic disease nutrition sectors.

She has been granted provisional accredited practising dietitian status while she continues her professional development to become a Dietitians Association of Australia accredited practising dietitian later this year.

NPA Director **Julie Dundon** said Ms von Bertouch was a valuable addition to the growing team of dietitians at the practice.

"We are working closely with Natalie to balance her career as a dietitian with her high-profile netball commitments with the Thunderbirds," she said.

Mark Walker has been appointed the company accountant of private investment and business advisory firm Ashington.

He will be responsible for the financial management of the Ashington Group of companies and investment vehicles, including direct and in-direct tax planning. He will also manage other projects, assist with the management and performance of investments, contribute to fundraising, deal flow and strategy and preparation of financial models, valuations and general due diligence.

Mr Walker, a chartered accountant, has worked in the US in finance and business development, providing acquisition and property redevelopment advice; and most

recently in Adelaide as a finance manager focusing on acquisitions in the wealth management area.

David Martland has been appointed a manager in the tax services division of chartered accounting firm William Buck.

Mr Martland has previously been a manager in a Big Four firm in a specialist tax role, working with big public and private entities. He has also provided income tax consultancy and compliance services to small business.

The William Buck Tax Services division provides advice and support for private and corporate businesses, international tax matters, business structuring, tax structuring, tax audits, fringe benefits tax and capital gains tax.
